

7

REMARKS

Applicant has carefully reviewed the Office Action dated November 24, 2004. Claims 1-15 remain pending in this application. Applicant has amended Claims 1, 13, 14, and 15 and added new claims 16-19 to more clearly point out the present inventive concept. Reconsideration and favorable action is respectfully requested.

Applicant has corrected the dependency of Claims 13-15. Claims 13, 14 and 15 have been amended incorporating the Examiner's comments regarding dependency.

Claims 1-15 stand rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over Claims 1-15 of U.S. Patent Number 6,622,165. Applicant has prepared and hereby submits a Terminal Disclaimer in compliance with 37 CFR 1.321(c). Applicant has provided a Terminal Disclaimer in accordance with this Office Action. Thus, Applicant believes that this rejection has been overcome and respectfully requests the withdrawal of this rejection.

Applicant has now made an earnest attempt in order to place this case in condition for allowance. For the reasons stated above, Applicant respectfully requests full allowance of the claims as amended. Please charge any additional fees or deficiencies in fees or credit any overpayment to Deposit Account No. 20-0780/PHLY-26,482 of HOWISON & ARNOTT, L.L.P.

Respectfully submitted,
HOWISON & ARNOTT, L.L.P.
